Single Phase Earth Fault Solution

02

1.1 + “ ”

Arc suppression coil + "active" line selection scheme

1.2 +

Arc suppression coil + parallel low-resistance resistor grounding scheme

Neutral Ground Product

06

2.1 KD-XH

KD-XH Type Phase-controlled Arc Suppression Coil and Line Selection System

2.2 KD-XHTZ

KD-XHTZ Type Tunable Inductance Arc Suppression Coil and Line Selection System

2.3 ZGNGR

ZGNGR Neutral Point Grounding Resistor Assembly

2.4 ZGMNGS

ZGMNGS Complete Set of Equipment for Grounding with Arc Suppression Coil in Parallel with a low-resistance resistor

Typical Application

13

3.1 + “ ”

Application Case of Arc Suppression Coil + "Active" Line Selection in Large-scale Power-consuming Enterprises

3.2 +

Application cases of arc suppression coil + parallel low-resistance resistor grounding

3.2

Typical Cooperative Users
